

Collaborative Regional Alliance for Farmer Training

### **CRAFT Membership Benefits:**

**CRAFT Farm members and associate farm members** receive free admission to all CRAFT workshops and events, reminders prior to all CRAFT events, inclusion in CRAFT networking opportunities, access to the current season's CRAFT Handbook, and a listing on the Organic Growers School website for their farm, to be viewed by potential future interns/apprentices or interested parties.

**CRAFT Student/Potential Future Intern Members** receive free admission to all CRAFT workshops, reminders prior to all CRAFT events, and access to the current season CRAFT Handbook.

**Friend of CRAFT members** receive free admission all CRAFT workshops, reminders prior to all CRAFT events, and access to the current season CRAFT Handbook.

\*\*\*\* (Please see pg. 2 to fill out a membership form, and for member level definitions)

---

### **THE CRAFT FARM MEMBER COMMITMENT:**

CRAFT farm members commit to:

- Enable their farmer interns/employees to participate fully and faithfully in the core CRAFT program (providing interns/employees with CRAFT handbooks, schedules, reminders, and time-off for events). The core CRAFT program includes the Apprentice Orientation, monthly workshops at member farms, intern exchanges, and informal visits between member farms.
- Willing to share expertise and experience with regional prospective farmers by agreeing to teach at one or more of the scheduled CRAFT events if requested.
- Consider serving on the CRAFT Steering Committee that guides the direction and planning of the regional CRAFT (one or two meetings each year in the winter months).
