

**Save Paper! Be an Email Only Member!**

---

Dear Friend of Organic and Sustainable Agriculture,

At one time, you requested to be added to the mailing list of the Organic Growers School. By including your email address, you made it possible to be an email only member of our mailing list. This means that all correspondence from our organization will ONLY be sent to you via email--helping us save paper and valuable time!

If you have successfully received this newsletter then you should be set up as an email only member. If this message has been saved in a spam folder in your email account, and you would like to be an email only member, please ADD our email address (info@organicgrowersschool.org) to your address book so that you can receive email correspondence from us. YOU DO NOT NEED TO RESPOND TO THIS EMAIL.

If you have received this message and would NOT like to be an email only member, simply click "unsubscribe" at the bottom of this page.

For your calendars, the next Organic Growers School spring conference will be held on Saturday, March 10, 2007.

Further details concerning classes and registration should be available on our website after the new year.

Hope to see you on March 10!

---

Want to be a sponsor, exhibitor or volunteer at this year's school? Contact Coordinator Meredith Leigh McKissick at 828 342 5333 or info@organicgrowersschool.org
