

Low Cost, High Impact Advertising: Donate to our Silent Auction!

As part of our expanded conference MARCH 21-22, 2009 we are offering a silent auction to our attendees. We're expecting close to 1600 people at this year's event, and your business' product or service on that silent auction table is a great way to get your logo and name seen by a perfect audience of gardeners, farmers, conscious consumers, students, and chefs.

Examples of donations so far are gift baskets, farm products, massages, cooking classes, books, organic bedding, events services, clothing, and more! Use your creativity to get your product and business in front of a great audience.

Your donation is completely tax deductible, and all proceeds from the auction will go to support our other programs which seek to provide nuts and bolts, region specific education for farmers. For more information about our programs, visit our website at www.organicgrowersschool.org and click on Programs and Events.

If you would like to take this opportunity to showcase your products or services by donating to our silent auction, please do so by responding to this email, or by calling 828.450.2026.

Registration for our event is available for just \$40 per day until March 1st. Register online or by mail before 5pm this Sunday and save \$\$.

Thanks for your support!
