2014 OGS Kids Program

Like the Spring Conference, Only Fun Size

For the 10th anniversary of the Organic Grower's Schools Children's Program, we are going ALTERNATIVE! We will be bringing back some favorite classes from years past while introducing some new bio-dynamic faces! So come out and enjoy your weekend of learning while playing games with us!!!

Class rotation sessions will include Yoga, Arts, Crafts, Ninja Skills, Gardening Basics, Nature Lessons & More!!!

2014 Conference Schedule

Your Favorite Workshops and All New Classes!

[Click here to download the 2014 Schedule](#)

OGS is thrilled to introduce our Pollinators Track at this year's conference. Attendees will learn how to attract pollinators and beneficial insects, how to avoid chemicals that might do them harm, and how to turn your farm or garden in a pollinator habitat!

Don't forget to check out our Pre-Conference Workshops:

Beyond the Backyard:

Creating a Sustainable Homestead Flock of Poultry

Pollinator Conservation Short Course

Presented in Conjunction with the Xerces Society

[Click here to learn more and to register for Pre-Conference Workshops!](#)

Don't Forget to Explore our Work-Exchange Program

Want to be part of the team that makes OGS happen?

Consider participating in our work-exchange program.

Volunteers work a single four-hour shift in exchange for a day pass at the conference. Work two four-hour shifts, and you get both days for free! Volunteer shifts are filling up fast, though, so sign up now!
