Better Soil Ecology for Better Farming

with special guest

Dr. Elaine Ingham, Soil Biologist

GOOD NEWS -- Workshop Reopened!

We just moved the venue for this class and there are now more seats available.

Spend the afternoon with world-renowned soil biologist Elaine Ingham who will address salient, real-life examples of soil dynamism and instructions on how to fine tune soil nutrients for specific crops. Participants will hear stories from Elaine's career of people actually suppressing weeds with proper soil biology, and stories of real people Elaine has worked with using compost tea and microbe-rich methods to both increase yields and suppress diseases. This workshop is sponsored by [Living Web Farms](#).

When: March 6, 2014, 1:30 PM - 7:00 PM

Where: Mountain Horticultural Crops Research & Extension Center,
455 Research Dr, Mills River, NC 28759

Cost: with Spring Conference Registration: \$35, without: \$50
