Qualified applicants do not need to own land, but some farming or production experience is required for acceptance to the program.

Program Starts October 2019

Join our farmer-led training program to launch a your farm business. Through Farm Beginnings®, you will:

- Gain insight from skilled and innovative farmers in WNC,
- Build a strong farmer-to-farmer network,
- Learn critical farm management skills,
- See sustainable practices being used on WNC farms,
- Learn to view a farm as an interconnected system and how holistic goals help determine success, and
- Craft a tailor-made farm plan.

OGS is happy to be hosted by Creekside Farms at Walnut Cove for the farmer led classroom sessions at 339 Avery Creek Rd, Arden, NC 28704
