- Instagram: [@sowtheland](https://www.instagram.com/sowtheland)
- Facebook: [www.facebook.com/sowtheland/](http://www.facebook.com/sowtheland/)
- Twitter: [@sowtheland](https://twitter.com/sowtheland)

### Why should you share about the things you are doing?

- Brings **awareness** to who you are and what you are doing. Where to find your business
- Brings **income** or funding to your project. Another source of income.
- Bring/build **community** together when you engage
- **Teach**
- 

### Platforms and Digital Skills

- What platforms we use to share Youtube, facebook, instagram, twitter
- Other platforms to use: podcasts, blogging
- Most engaging platform: Youtube - Second largest search engine. Third most visited site after google/ facebook - Watch 1 billion hrs. Of youtube. More than Netflix
- Digital skills means using different platforms to share

### How

How much time do you spend on sharing?

- Focus on your main platform and all others will trickle down

How to be successful

- Consistency
- Patience

How do you make money?

- Ads
- Patreon
- Amazon
- Your website

How do you come up with content?

- Share your story
- Document vs. create
