

## **Italian Mushroom Seasoning Blend**

Dried shiitake powder 6 parts

Thyme 1 part

Oregano 1 part

Rosemary 1 part

Cayenne (or red pepper flakes) 1 part

Measurements can be made with a scale by weighing out parts in ounces, or can be measured by using a tablespoon or teaspoon as a part depending on how much you want to mix up.

Measure out dried herbs and dried cayenne pepper and powder in a coffee grinder or blender. Mix with dried shiitake mushroom powder and store in a spice jar or mason jar that is airtight. Best if used within 3-6 months.
