

Recommending Dowsing Readings

9/11 Compiled by Lee Barnes, lbarnes2@earthlink.net
(additional web links can be found at <http://wncdowsers.org/>)

Walt Woods. 1996. Letter to Robin: A Mini-course in Pendulum Dowsing. 10th Revision. American Society of Dowsers. 20 pgs. - excellent intro to dowsing techniques and need for clear mental programming. (available free on-line, www.lettertorobin.org/. Also free Companion Guide.)

Hamish Miller. 2004. Dowsing: A Journey beyond Our Five Senses. Walker & Co. 56 pgs. - short, but nicely illustrated intro to a wide range of dowsing techniques. A nice gift for inquiring minds.

Kathryn Klvana. 2011. Intuition in an Instant: Discover Your Inner Wisdom Through Dowsing. Llewellyn Books. 212 pgs.- nice broad intro to connecting with your Intuition through Dowsing. Easy to follow...

Laura Day. 1996. Practical Intuition.: How to Harness the Power of Your Instinct and Make It Work for You. Villard Publ. 190 pgs.- nice workbook style to accessing you intuition.

Sig Longren. 1986. Spiritual Dowsing. Gothic Image Publ. 107 pgs. – nicely illustrated, includes Tools of the Trade, dowsing Earth Energies, and Dowsing and Healing. Sig is active in Mid-Atlantic Geomancy, www.geomancy.org.

Tom Graves. 1990. The Dowser's Workbook: Understanding and Using the Power of Dowsing. Sterling Publishing. 173 pgs. – a step-by-step guide with 114 exercises for beginning and advanced dowsers. Highly recommended for skill building.

George Applegate. 1997. The Complete Book of Dowsing: The Definitive Guide to Finding Underground Water. Element Books. 302 pgs. – the best review of water dowsing techniques with extensive geological illustrations.

Christopher Bird. 1993. The Divining Hand: The 500-Year-Old Mystery of Dowsing (the art of searching for water, oil, minerals, and other natural resources or anything lost, missing or badly needed.) Whitford Press. 372 pgs. – classic overview of the history of dowsing. Little on techniques, but the best review of dowsing people and techniques.

Leroy Bull. 2001. The Art and Craft of Map Dowsing: A Workbook. Minute Man Press. 29 pgs. – wonderful introduction and “theory on how we interact with the Universe.” Includes a dozen basic techniques on map dowsing (a form of remote viewing.) This is my favorite book on developing my trust in map dowsing.

Dale Olsen. 1996. Pendulum Charts: Learn to Access your Natural Intuitive Abilities & Take the Guesswork Out of Life. Crystalline Publ. 44 pgs. – a wonderful collection of dowseable pie-charts primarily for use with pendulums. Includes nutritional supplements, allergies, and even car trouble diagnosis. (note there is a new edition with additional charts. His 190 page book, Knowing Your Intuitive Mind, is also recommended)

Kathe Bachler. 1989. Earth Radiation: The Startling discoveries of a Dowser. (New advances in the causation of cancer, allergies, arthritis, learning difficulties and many other diseases.). Wordmasters Ltd. 209 pgs. – classic review of over 11,000 cases of health problems caused by underground unhealthy earth energies which are detectable using dowsing techniques. Especially important for selecting sleeping and work places.
