Gain Exposure with Organic Consumers

➥ Your partnership with Organic Growers School connects you to the OGS mission values and provides exposure to values-driven consumers.

➥ After 28 years, Organic Growers School has both a solid name recognition and a loyal following among organic consumers and growers.

➥ OGS directly reaches 3500+ consumers, home-growers, and farmers every year at events, and about 80,000 consumers, gardeners, and farmers via the OGS website, mailings, email list, and social networking.
