- [David Bollier](#), *Free, Fair, and Alive* and others
- [Community Land Trust Reader](#)
- <http://berkshirecommunitylandtrust.org/>: “part of a broad social movement to develop a culture of philanthropy – a land gift movement – that supports community ownership of land and returns land to the Commons”
- [‘The law locks up the man or woman / who steals the goose from off the common’](#)

TREE CROPS and ORCHARDING

- nafex.org, northernnutgrowers.org - North American Fruit Explorers and Northern Nut Growers, networks of fruit and nut growers of all levels, tons of info and people to connect with, FB groups
- growingfruit.org - forum dedicated to discussion of fruits and nuts
- <http://ncsmallfruitsipm.blogspot.com/> - NC State blog on IPM
- centerforagroforestry.org - Missouri University - Center for Agroforestry
- fruit.cornell.edu - Cornell website, lots of info from decades of research
- [Society of Ontario Nut Growers](#) lots of good info on nut culture, including e-book “Nut Growing Ontario Style” by John Gordon
- *Tree Crops: A Permanent Agriculture*, JR Smith
- Restoration Agriculture, Mark Shepard
- Savanna Institute, *Planting Tree Crops*
- [Hazelnut growing guide for Eastern US](#)
- [Zach Elfers article on American hazelnut](#)
- Black walnut hullers: [PTO driven black walnut huller](#), [motor-powered](#)
- [Acorns in Human Subsistence](#)

PLANT, SEED, and SCIONWOOD SOURCES

- [Chestnut Hill tree farm](#), NC source for Dunstan hybrids and more
- [Empire Chestnut Company](#) and Route 9 Chestnut Co-op
- [Grimo Nursery](#), grafted nut trees, hazelnuts, more
- [Nebraska Nut Growers](#), black walnut scionwood and seed
- [England's Orchard and Nursery](#), good persimmon scionwood source
- [Foggy Bottom Nursery](#), new hazelnut hybrids for the East
- [Red Fern Farm](#), tree crop farm and nursery
- [Burnt Ridge Nursery](#), PNW source for many fruit and nut varieties
- [Edible Landscaping](#), fruits, nuts, perennial herbs
- [Hidden Springs Nursery](#), fruit trees and shrubs, in east TN
- [Useful Plants Nursery](#), WNC source for perennial edibles
- [Perennialcropsnursery.wordpress.com](#) Perennial Crops Nursery
- [Experimental Farm Network](#), permaculture plants
- [Feralwood Nursery](#), permaculture and foraging plants
- [Oikos Tree Crops](#), all manner of seed-grown perennial plants
- [Hog Tree Nursery](#), agroforestry mulberries and more. Also see [Eliza Apples](#)
- [Forest Agriculture Nursery](#), OP hybrid seedlings of hazelnut and others
- [Nutty Buddy Nursery](#), small number of select fruit and nut seedlings available, usually in the spring. Inquire via email.
- Facebook groups: NAFEX, NNGA, North American Scion Exchange, crop specific groups (search the crop name and there's likely a dedicated group)
- [Cold Stream Farm](#), wholesale bareroot trees and shrubs
 - [Forrest Keeling Nursery](#), bulk rootstocks
 - State Forest Service plant sales, especially Missouri, good source of cheap seedlings for rootstock

COPPICE, POLLARD, and the like

- Ben Law, *Woodland Way* and others
- Oliver Rackham, *Ancient Woodland* and others
- William Bryant Logan, *Sprout Lands*
- Mark Krawczyk, [Coppice Agroforestry](#)
- [Coppice in Brief](#)
- [Coppice Christmas trees](#)
- [The Pollard Practitioner Small Handbook](#)
- [Euro Coppice website](#), lots of info and publications with photos
